Did you know?

The USS Oriskany Reunion Association was formed in the early 1990s to plan reunion events for former crew members of the aircraft carrier USS ORISKANY CV/CVA 34. Today, the event is a place for veterans, their families, and descendants to gather.

The group hosts the annual reunion in a different city every year and publishes a regular newsletter. In the past, they have helped support the Oriskany Museum and two scholarship funds. Membership is \$25 per year.
